Listen to **NPR's News Now** and take notes. Note, the link might change but it is currently: (<https://www.npr.org/podcasts/500005/npr-news-now>) Please choose the most recent one and state what hour it was.

What was the headline story? In your mind was it important enough to be the lead story? Why or why not?

What was the next story? (brief summary)

Was there new information on Covid-19? If so, what?

What international story, if any, was presented (brief summary)? Had you heard about these before? Should the mainstream media be covering these more thoroughly?

What was the most interesting story of the day and why?
