

Team Project: Peer Evaluation

The chart I have given you asks you to rate each group member for the amount of work s/he has done on the assignment (the total amount should be 100%), give comments and examples of each member's achievement, and give him/her a grade on a scale of 1-5. **NOTE:** Do *NOT* fill in the teacher section (the teacher will complete this separately). Your report will be graded by the teacher so please do a good job. Try your best to be honest and fair in this peer evaluation. No other students will see this sheet. For the grade section, please use the following:

Basic Scoring Guidelines

Team Member

5= This team member contributed many good ideas to the group, acted respectfully to all group members, stayed on task, and did more than his/her share of the work.

4= This team member contributed some good ideas to the group, acted respectfully to all group members, almost always stayed on task, and did his/her share of the work.

3= This person may have occasionally goofed around a little or acted a little bit disrespectfully, but did most of his/her share of the work and contributed to the overall product.

2= This person did not contribute to the group OR he/she negatively affected other people in the group with his/her behavior.

1= This person did not contribute to the group and negatively affected other people in the group with his/her behavior.

TEAM PROJECT: PEER EVALUATION

Team Members	% of Work	Comments	Score	Teacher's Grade
<u>Me:</u>				
<u>Team Leader:</u>				

Remember that your total % of the work should equal 100% (it is not graded out of 100% for each person). Also, please leave the teacher grade portion blank. You will receive a grade for completing this sheet, so please make specific comments on your responsibilities during the project as well as those of your peers.
